

Grand Tasting: the multiple facets of the Osterberg Grand Cru - Monday May 20 at 3 p.m.

The Grand Cru Osterberg: Discovery of the multiple facets of a great terroir

Like every year, we delve into the treasures of our wine library to help you appreciate the magnificent aging potential of Ribeauvillé wines.

This year we will appreciate the **multiple facets of the Grand Cru Osterberg** through a **double vertical around Riesling and Gewurztraminer** :

- 9 vintages of Riesling (from 2020 to 2001)
- 5 vintages of Gewurztraminer (from 2017 to 1994)

This event will take place on **Monday May 20, 2024 at 3:00 p.m.**

A cheese platter will be offered to you at the end of the tasting.

Over these two days you will be able to buy a few bottles from these years stored carefully in our wine library.

Price of the tasting: €30 (€20 for members of the Louis SIPP Club - contact us on louis@sipp.com to receive the reduction code), free from €300 of purchases.

Limited number of participants.
